Welcome to Unique Dwell

We design and make products for clients that are looking for uniqueness when they furnish and decorate their dwellings, products that are different from what people know as “usual” or “standard” available in markets. Our products are functionally very practical. They are hand made in order to obtain and maintain highest quality. We strive to develop products with minimum environmental impacts.

*Here within this catalogue, you may find detailed information about our **Planters**.*

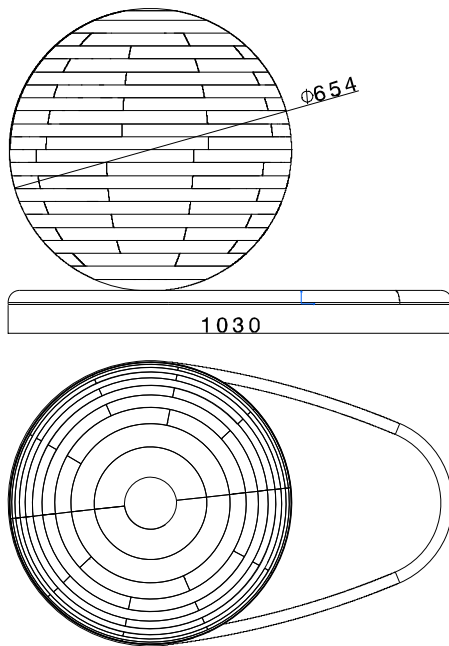

UspherE

Planet and nature have been symbolized in this product. The sphere being our earth, the plant be the nature and vegetation and the floor base shaped as a water drop.

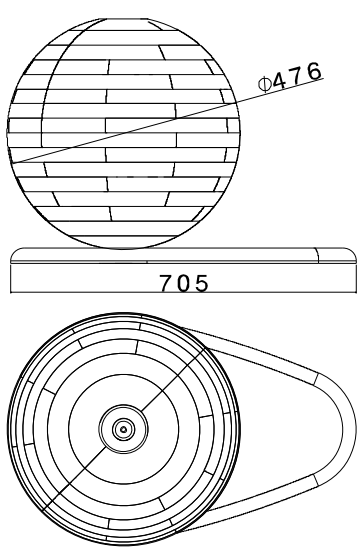

UspherE will turns any one's eyes towards itself, once they arrive in your space!

Products' detailed information sheet

Product Name	UspherE-L			
Product Code	UDUD034			
Materials				
Spherical body	Rubber wood			
Base	MDF			
Pot	Plastic			
Coating				
Spherical body	Polyurethane: repels water, protects from scratches, stains and UV damage			
Base	Solid color polyurethane: repels water, protects from scratches, stains and UV damage			
Colors available				
Spherical body	Brown, Clear			
Base	Matt white, Matt black			
Features	<ol style="list-style-type: none"> 1. Inside of spherical body is coated by water proof epoxy coating, while polyurethane wood paint, protects outside from moisture and humidity 2. Spherical wooden body is manufactured through a delicate process, resulting in very accurate dimensions and smooth finish. 			
Dimensions				
Plants	 1x D-35cm	Color Codes	Spherical body-Base	Code
			Brown-Black	UDUD034390
			Brown-White	UDUD034400
			Clear-Black	UDUD034410
			Clear-White	UDUD034560

UcyL

A cylinder-shaped planter, with an advanced irrigation system, an independent pot that can be removed for plantation and maintenance. Made of high-quality aluminum, the product is corrosion and rust proof, while weight is kept at minimum. UcyL is modular and it is very easy to assemble the product in any desired configuration. UcyL has a water reservoir. There are two types of irrigation (from reservoir) to choose from, manual (wick irrigation) or automatic (electric pump). Illumination hidden in the gap between the cylinder and the base, is very elegant and attractive.

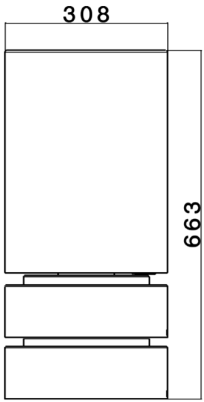

Products' detailed information sheet

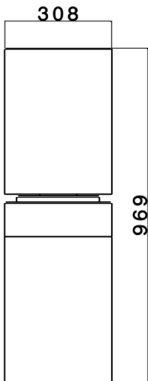

Product Name	UcyL1C-M			
Product Code	UDUD071			
Materials				
Body & Base	Aluminum			
Pot	Aluminum			
Coating				
Body & Base	Are anodized and then powder coated with electrostatic paint. The combination makes them rust and corrosion proof.			
Pot	Pot is anodized and then powder coated with electrostatic paint. The combination makes the pot rust and corrosion proof.			
Colors available				
Body	Matt crème, Matt black, Anodized silver, Anodized gold			
Base	Matt black, Half shiny gold			
Pot	Black			
Features	<ol style="list-style-type: none"> 1. Semi-automated irrigation: The body acts as a water reservoir. It can hold up to 3 liters of water. Soil will become moist through a wick submerged inside the reservoir. 2. Illuminated: Decorative SMD lighting hidden beneath the body, over the base. 3. The illumination is 12V/ DC. Products is safe and there is no risk of electrocution. 4. Pot is separate and can be easily mount/ unmount for planting and maintenance 5. Modular design: Body and base can be mount and attached/ detached, accommodating combined assemblies and colors.

UconE

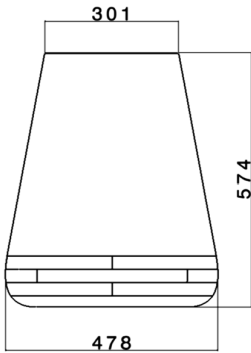

A concept in which metal and wood have been delicately merged and dissolved, with its classic shape is a suitable fit to any interior decoration style. Pot is independent, can be removed for plantation and maintenance. The body and pot made of high quality aluminum, are corrosion and rust proof, while weight is kept at minimum. There are two types of irrigation (from reservoir) to choose from, manual (wick irrigation) or automatic (electric pump). Hidden illumination makes UconE further unique.

UringS

UringS engages your indoor living with beauty and tranquility of nature. The wooden frame's simple yet modern and innovative design turns the planter into a differentiated piece of furniture on your wall or floor. Combined with beautiful natural plants, UringS planters become an eye-catching decorative element in your home or office. Pots made of high-quality aluminum are anodized and coated with powder paint so that they become rust and corrosion proof. Pot is independent, can be removed for plantation and maintenance. Wooden frame is coated with polyurethane paint, making it resistant against humidity and moist.

Plants	 10x D-8cm, H-15cm	Color Codes	Frame-Pot	Code
			Brown-Black	UDUD058390
			Brown-White	UDUD058400
			Brown-Crème	UDUD058750
			Clear-Black	UDUD058410
			Clear-White	UDUD058560
Clear-Crème	UDUD058830			

Products' detailed information sheet

Product Name	UringS -WOFV			
Product Code	UDUD059			
Materials				
Frame	Rubber wood			
Pot	Aluminum			
Coating				
Frame	Polyurethane: repels water, protects from scratches, stains and UV damage			
Pot	Powder coated electrostatic paint applied after aluminum pot is anodized. The combination makes the pot rust and corrosion proof.			
Colors available				
Frame	Brown, Clear			
Pot	Matt white, Matt black, Matt crème			
Features	<p>40. Illuminated: SMD lighting, enough for growth of light demanding plants even in places without natural light</p> <p>41. The illumination is 12V/ DC. Products is safe and there is no risk of electrocution.</p> <p>42. Pot can be easily mount/ unmount for planting and maintenance</p> <p>43. Wall fixing brackets are included</p>

Uroll

Is the way we have imagined to bring natural plants in an elegant and stylish way right in front of you. It is the eye catching tranquility right on your desk or wall, during a working day full of stress or a meaningful unique decorative object in your home. No saucer, no dirt, no worries about water overflow spilling on your table but the convenience of a self-watering planter. With a beautiful multipurpose packaging, Uroll is a perfect and different gift. Uroll is handmade from high quality aluminum and has attractive and high quality finishings/ coating.

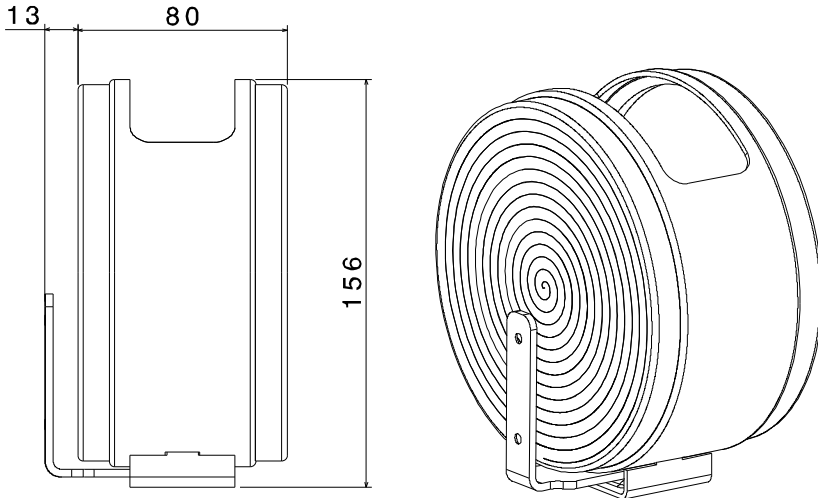

Products' detailed information sheet

Product Name	Uroll-T			
Product Code	UDUD070			
Materials				
Main Body	Aluminum			
Side Caps	Aluminum			
Coating				
Main Body	Main body is anodized and then coated by electrostatic powder paint. The product is rust and corrosion proof.			
Side Caps	Either anodized and then coated with electrostatic paint or will just have anodized finish			
Colors available				
Main Body	Matt crème, matt black, matt silver, matt white			
Side Caps	Matt crème, matt black, anodized silver, anodized gold			
Features	48. The product has a water reservoir which can hold 150cc of water. Water is transmitted to soil through a wick.			
	49. The product package includes a wall fixing bracket			
	50. Product has a uniquely designed packaging, making it a perfect gift.			
Dimensions				
Plants	 1x D-8 cm	Color Codes	Body-Cap	Code
			Black-Anodized Gold	UDUD070330
			Silver-Black	UDUD070740
			Crème- Anodized silver	UDUD070720
			Crème- Anodized gold	UDUD070730
			White- Creme	UDUD070510
